

Blessed Life					
I give sporadically when I attend worship or when I am asked to give	I have experimented by serving in different areas and discerning where I can best be used by God	I am at worship either at CROSSROADS or another worship community every week	I have lead several others into a faith relationship with Jesus Christ. I have also trained those I have lead to lead others into a faith relationship.	I love to lead others in small group and have started more than one. I want to help others grow in fellowship, discipleship and missions in a small group	
I understand more about Jesus and am open to attending a class or group where I can learn more about Him	I am developing a practice of spending time with God through prayer, scripture devotional reading a couple days a week	I have felt God's love in my life and I am drawn to learn more about how I can have a stronger relationship with God through Jesus	I am leading others to discover their gifts, talents and passions. I am coaching others to find meaningful places to serve	I have developed a spending plan or budget which includes tithing to the church	
I attend worship when a friend invites me, or for special services like Christmas or Easter	I intentionally seek to build relationships with unchurched people in order to share God's story of love and my personal story of faith with Jesus Christ	I am beginning to give more and to give on a regular basis	I love my small group and have been meeting for some time. I support others in the group and regularly invite others to join us	I spend increased times with God daily and feel God's presence throughout the day. I see God at work frequently and join in	
I have a personal relationship with Jesus Christ that I share openly about when asked	I have attended a small group in the past but I am not committed to one at this time	I practice daily spiritual disciplines and am experiencing a greater level of intimacy with God	I am fully present with God during worship and look forward to every opportunity to engage in worship on Sundays and Special Services	I serve regularly and faithfully. I can tell I am making a difference in transforming the lives and the community of Christ	
I am drawn to the story of God's love and beginning to explore ways to connect with God other than in church on Sunday	I am tithing to the church, giving to special projects and reordering my life to free up more resources to honor God and bless others	I am often amazed at the way some disciples selflessly serve others and I want to make a difference like that as well	I spend time with God frequently and mentor others in the spiritual disciplines. I enjoy helping others with their faith walk with God.	I have shared my faith story with someone else and it motivated them to also seek a personal relationship with Jesus Christ	
I am beginning to discover my spiritual gifts, talents, and passions and I am exploring ways to serve	I attend worship at least once a month or when my personal schedule allows	I am a part of a small group and attend when convenient	I am modeling for others faithful stewardship and leading others in practicing Biblical Stewardship	I enjoy leading others in worship through music, message, prayer or technology
